PREDICTED GRADES GUIDANCE SHEET

Please refer to the guidance below regarding your country's qualifications. Please note that we require a specific predicted grade, if a range of grades are provided we will use the lowest in the range.

Austria:

Please confirm the predicted grades for each individual subject being taken in the Reifeprüfungszeugnis / Maturazeugnis.

Belgium:

Please confirm the predicted grades for each individual subject being taken in the Belgium-Certificate d'Enseignement Secondaire Supérieur/Diploma van Hoger Secundair Onderwijs/Abschlusszeugnis der Oberstufe des Sekundarunterrichts.

Bulgaria:

Please provide the predicted grades for each individual subject being taken – both for the school leaving and state examinations in the Diploma za zavarsheno sredno obrazovanie.

Croatia:

Please confirm the predicted grades for each individual subject being taken in the State Matura (Državna matura) and note which subjects are being taken at Advanced Level.

Cyprus: Greek-Cypriot System

Please confirm the overall predicted grade for the Apolytirion and for each A-Level subject being taken.

Czech Republic:

Please confirm the predicted grades for each individual subject being taken in the Maturita.

Denmark:

Please confirm the predicted weighted average grade and the grade for each individual subject being taken in the Studentereksamen and note which subjects are being taken at Level A.

European Baccalaureate:

Please confirm the overall predicted grade, as well as the predicted grades for each individual subject being taken in the European Baccalaureate. For Mathematics please note if this is 3 period or 5 period.

Estonia:

Please provide the predicted grades for each school exam being taken, as well as for each state exam being taken in the Reigieksamitunnistus and Gumnaasiumi Ioputunnistus.

Finland:

Please confirm the predicted grades for each individual subject being taken as part of the Ylioppilastutkintotodistus/ Studentexamensbetyg. Please also confirm which of these subjects will be at Advanced Level.

France:

Please confirm the predicted overall grade for the Baccalaureat, as well as for each individual subject being taken.

Germany:

Please confirm the overall predicted grade for the Abitur. Please provide predicted grades for all advanced level subjects and for English (if not taken at advanced level).

Greece:

Please confirm the overall predicted grade for the Apolytirion and predicted grades for each individual subject being taken both for the Apolytirion and Panhellenic examinations.

HNC:

Please provide the predicted grade for graded unit within the HNC/HND. If any additional qualifications such as SQA Higher grades are being taken alongside this qualification, please also provide these predicted grades.

Hungary:

Please provide the predicted grades for all subjects being taken in the Érettségi/Certificate of Maturity and note which of these are at Higher/Emelt Szintu level.

India:

Please provide predicted grades for your Grade 12 results only. Provide an overall grade (average) as well as individual predictions for each subject.

International Baccalaureate:

Please confirm the predicted overall grade for the IB, as well as for each individual subject being taken.

Ireland:

Please provide predicted grades for all subjects being taken in the Irish Leaving Certificate and note the level for each subject.

Italy:

Please provide the overall predicted grade for the L'esame di Stato (opzione Scientifica), and provide predicted grades for each individual subject being taken.

Latvia:

Please provide the overall predicted grade for the Atestāts par vispārējo vidējo izglītību, as well as the predicted grades for each individual state exam being taken.

Lithuania:

Please confirm the predicted grades for each school and state exam being taken in the Brandos Atestatas. Please note which subjects are school and which are state exams. Please provide a specific grade, and not a range of grades.

Luxembourg:

Please confirm the overall predicted grade for the Diplome de Fin d'Etudes Secondaires, as well as the predicted grades for each individual subject being taken.

Malta:

Please confirm the predicted grades for each individual subject being taken in the Matriculation Certificate and note whether the subjects are being taken at Advanced or Intermediate Level.

Netherlands:

Please confirm the overall predicted grade for the Diploma Voorbereidend Wetenschappelijk Onderwijs (VWO) and the predicted grades for each individual subject being taken.

Norway:

Please confirm the overall predicted grade for the Vitnemål - Videregående Opplæring and the predicted grades for each individual subject being taken. For mathematics please note if this is R2 / NS2.

Poland:

Please confirm the predicted grades for each individual subject being taken at extended level in the Matura.

Portugal:

Please confirm the overall predicted grade for the Diploma de Ensino Secundario, and provide the predicted grades for each individual subject being taken in the Year 12 exams.

Romania:

Please provide the overall predicted grade for the Diploma de Bacalaureat, as well as for each individual subject being taken.

Slovakia:

Please predicted grades for each individual subject being taken in the Vysvedcenie o Maturitnej Skuske/Maturita.

Slovenia:

Please confirm the overall predicted grade for the Spričevalo o Splošni Maturi and list the individual subjects being taken.

Spain:

Please confirm the overall predicted grade for the Titulo de Bachiller and predicted grades for each individual subject being taken. Please also confirm that the Prueba de Acceso a la Universidad (PAU) is also being taken.
